## Raising the House Financial Assistance Request

It is the mission of Raising the House to provide students and their families within the Palmerton community with a variety of programs and assistance while honoring the memory of Mr. Blaine R. House. To qualify for possible assistance from Raising the House, the family must have a student in the Palmerton School District and must be facing a serious hardship (i.e. house fire, major medical condition, etc.).

Raising the House will NOT fund requests for rent, mortgage, or tax payments.

In order to determine if the request for funding fulfills the mission of Raising the House, we ask that you please complete the application below and either send to Raising the House via mail or email per the contact information above. Please be as detailed as possible in your request. Information included on this application and any supporting documentation will be completely confidential and shared with the Raising the House board only for assistance consideration purposes. Allocations of funds will be distributed at the discretion of the Raising the House board.
